

NATURE FOUNDATION

INTRODUCTION

CBRNMathon is a project being implemented by the NNF financed by GIZ, commissioned by the Government of the Federal Republic of Germany in partnership with the Ministry of Environment Forestry and Tourism. The projects' focus is on supporting the setting up of business ideas of entrepreneurs/groups residing in Community Based Organizations such as Conservancies and Community Forests. Impact Tank is proud to be part of this initiative as the Consultant providing venture building services.

TARGET IMPACTS

- ✓ The project intake targets 25 participants, with 10 of their grassroots initiatives implemented. Participants are drawn from various regions of Namibia. It promotes entrepreneurship across age groups, with a focus on sectors defined by the Nature Foundation. By offering training, mentorship, and resources, the initiative aims to equip participants with the skills and confidence needed to succeed in their ventures.

STATISTICS

40% Female to male ratio

10 participants selected for the acceleration phase

64% of participants have tertiary education

25-34 participant age range

ABOUT IMPACT TANK

- We are Namibia's first social impact venture builder, founded in 2020.
- Our projects focus on 3 thematic areas: Emerging Technology, Blue & Green economy and Indigenous knowledge.
- We aim to impact the lives of thousands of Namibians and inspire further action by the market.
